## **PRESS RELEASE**

22<sup>nd</sup> July 2009

### **GLS Catering & Services awarded new Vantage Drilling contract**

GLS has been in business for 10 years and we have always been committed to providing excellent catering and services to our clients, irrespective of whether they are based onshore or offshore, in the private sector or the public domain. Since we operate globally, we can deploy our professional and multinational team to business sites as diverse as offices and banks, oil rigs, mines or construction sites.

Our team takes pride in offering a wide range of flexible and tailored solutions to respond to the needs of our clients who are keen to take care of their main asset, their employees, and thus the smooth running of their operations.

We are proud to announce that GLS Catering & Services Ltd has been awarded a new contract by the US company Vantage Drilling Company onboard the Sapphire Driller platform in Côte d'Ivoire. The rig is a Baker Marine Pacific Class 375 jack-up and has a drilling depth of 30,000 ft. Its deployment in West Africa will constitute its first mission further to it leaving the shipyard in Singapore.

GLS will be providing and managing catering, laundry and housekeeping services around the clock throughout the duration of its contract which is due to commence in August 2009.

Moussa Diomande, Director of GLS Catering & Services Ltd who attended the platform's christening in Singapore, explained that "the GLS team is excited about being involved in this new project".
